

Rockwall Noon Lions plans future activities

Megan King, secretary, along with Larry Jost, vision chair; Misty Park, treasurer; and Justin Holland, president, are making plans for the future.

The Rockwall Noon Lions recently held a brainstorming session to plan its 2009 service calendar. The group plans to sponsor activities to benefit different age groups in Rockwall.

The main focus of Lions Club International is to serve the visually impaired with eye exams and eyeglasses. Larry Jost has taken on the responsibility of the used eyeglass collection boxes, which are placed throughout the community. All types of glasses and frames are needed.

For more information on programs and membership, please go to www.rockwallnoonlions.com. The group meets the first and third Monday of the month at Joe Willy's on South Goliad and new members are welcome.
